THE NEWSLETTER

INTERO

I'm finally back! After six weeks spending my time into a cure that I've done at Westerland/Sylt I'm getting back to you right here with this 2nd newsletter of EXHUMED PRODUCTIONS! But this time, it's much more better, more original than the 1st! Now it has more pages and more interesting things in it, like those interviews, reviews and this special features. Since the BRUTAL PROMOTION is history a lot of things has changed over here, but more about that you can read a few pages further! The 1st newsletter was just for free and it has sold out with ca. 350 pieces in only 3 months!!!

This 2nd newsletter is handnumbered+limited to 666 copies as you may not have already noticed yet! You should know, I very like handn.+limited stuff, so I hope that all the EXHUMED PROD. releases will be like that! The price for this 2nd newsletter is \$2. If I am honest, I'm not very satisfied with that price! But of course I must cover the postage and the printing for it, you know! It's absolutely impossible for me to mail out something for free anymore I hope you'll understand my situation!!!! In the future I'll mainly concentrate all my work on EXHUMED MAG 'n ZINE and on -----

COPY

1666

EXHUMED/SLAUGHTER RECORDINGS, because then I can better work on it if I have more time for something! The comp. tape didn't sell that good and with the mailorder I got so much problems, so I think it was the best to put both things finally on ice for a while! I'm not really sure, but I've plans for a totally new mailorder service, let's see!

I really don't know when the 3rd issue of this newsletter will come out, but I guess not before Feb. 1993!! The 3rd issue will be lotsa better, with more infos and stuff! Hopefully interviews with CANNIBAL CORPSE, MACERATION, HARDWARE, SCEPTICAL, SCHIZO, PYRO-GENESIS+LOBOTOMY! Well, I'm running out of words! Have a nice X-mas and a nice New Years Day! See-Ya....

EX-

EXHUMED MAG'N ZINE

After three unoriginal MORTUARY MAG issues I will bring out a very original fanzine which's name will be EXHUMED MAG'N ZINE! The 1st issue is planned for early '93 and I can assure you, this one will blow all the 3 M. M. issues fucking away! I really hope to bring it out in 2 languages in English and in German. At 1st there will come out the German and a few weeks later there'll come the English one. The 1st issue will be has around 40 pages and will be finally professional printed! !! I hope to get interviews with BLOOD, DISMEMBER, PURTENCEANCE, MIASMA, BAFKOMET, PITCH SHIFTER, GEMETZ'L ZINE JOHN SINCLAIR, etc..... and a few more. There will also be the usual demo/fanzine/vinyl reviews, some artworks, a poster, ...and a few more very interesting things I won't betray here in any way!

I also hope to have there a gloosy and coloured cover, at least I'll give all my best to make this happen!!! Ya know, I'm only human, nothing more! !! I Demos, EP's, CD's, fanzines comp. tapes, ...that receive me will for sure get a review in the fanzine or just in this newsletter! And if to the letter there's also one or two \$ added, you'll get a free copy when it's released!! And please don't forget to enclose a logo, photo, bio and the latest news!!

In every issue there'll be an add's page where bands/comp. tapes/fanzines labels/tape-traders/etc... can leave their message or offer for following prices: 0-20 words= one \$, 20-40=\$2, 40-60=\$3, 60-80=\$4, 80-100=\$5!!! Please don't send texts with more than 100 words, OK! The adress is for free!

You also can subscribe EXHUMED MAG'N ZINE if you want to! One single will cost \$4 in Europe and \$5 outside of it. The subscription for 4 future issues costs only \$12 instead of 16 US Dollars if you order single issues! With that you save \$4 and you don't have to wait so long until you got it!

As it was already mentioned in some flyers and also in the 1st newsletter, we're still and always searching for contributors to the future EXHUMED MAG'N ZINE issues that send me things like: Reviews, photos, stories, comments, poems, arts, lay-outs, articles, etc. as long as it's interesting, morbid or original, it'll be released in it!!!

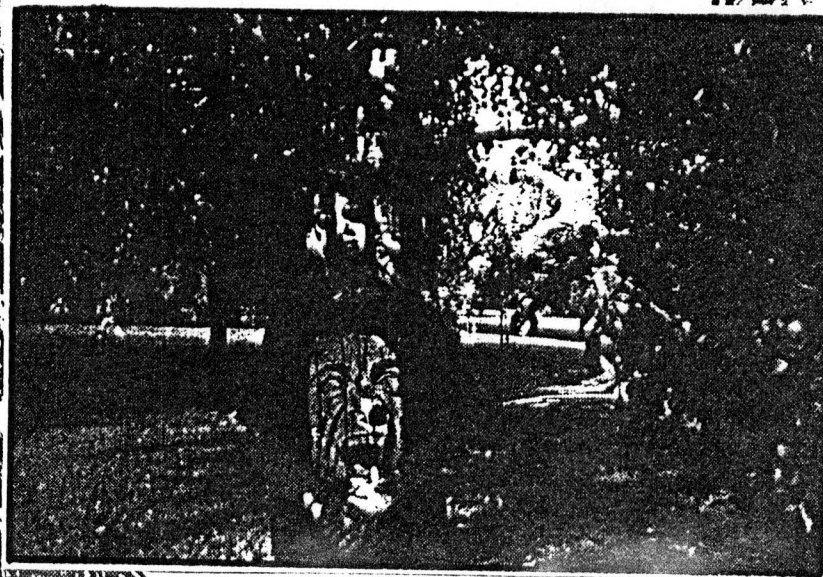

The deadline for my 1st issue is the 01.12.92 and for the 2nd it's the 01.02.1993 ! ! ! !

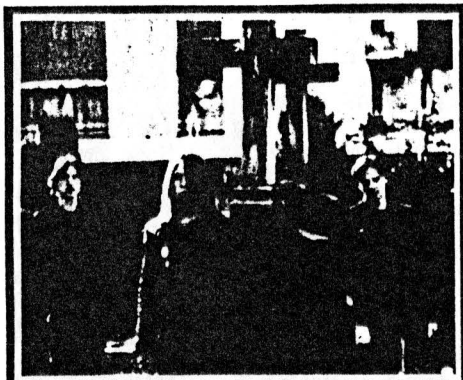

I've also plans for a black metal fanzine called LORDS OF DARKNESS which should be out in the mid of '93 with int's of THORNE OF AHIAZ, BURZUM, IMMORTAL, BESTIAL SUMMONING, ROTTING CHRIST, PROFANATICA, etc... more 'bout it will be written in the next newsletter!!!

Fanzines, bands or labels: if you want to do publicity in EXHUMED MAG'N ZINE then just ask me about prices, OK

The mag'n zine will be with luck in 3-5000 copies printed and I really hope to come up all 2-3 months with a new issue!!! ! ! ! !

The 3rd issue of MORTUARY MAG is still available, for only \$4 everywhere! It has interviews with IMMOLATION, CARCASS, ISTEN MAG, PAN-THY MONIUM, SLAYER MAG, GORE FEST, etc... and lotsa more on almost 70 pages!!! Get it before it's too late!!!

DEAD

HI DANNY. ANY 1ST WORDS:-

-My cock stinks like a fish-mac!
I think I've to wash it today.
(Yeah Dany, you're totally right!
The paper where you answered
has a terrible scent, but how
came your cock on it???-ED)

WHAT'S GOING ON WITH "DEAD" RIGHT

NOW?-We're planning some new
tours with FLESHCRAWL and ULCER-
OUS PHLEGM. We're also producing
new songs at the time. Till now
we have 4 new killer songs cal-
led "In ecstasy", "Gathering for
lust", "Indomitable lascivious-
men" and "Delicious task of vaginal
excrements". You'll love them!

I'VE SEEN YOU PLAYED A LOT OF

LIVE-SHOWS THE LAST TIME. WITH
WHICH BANDS DID YOU PLAY?-This
month we played five gigs during
two weeks. The 1st gig was in Nür-
nberg with LAVATORY. Then we play-
ed in Trantskirchen with ULCER-
OUS PHLEGM and FLESHCRAWL. The
last three gigs we played were
in Hungary with FLESHCRAWL (we
love yuh!). We had the best time
there. On our gigs were lots of
stagedivers, nice girls, vodka,
etc. It was totally great! I think
next year we'll play there again
more gigs!

I THINK YOU'RE LOOKING LIKE PIN-

HEAD OF "HELLRAISER". AM I WRONG??
-I think you look like a dog-ass
am I wrong? Do you wanna make me
angry? Eat my cock-cheese!

I guess you don't know which band
here I've interviewed, because I
haven't put any logo in here! That's
because my interview-partner didn't
send me their band logo! But don't
mind, it's band I've interviewed here
is called DEAD. They're from Germany
and play a kinda style like death-
grind-gore metal, really shredding
stuff I must say! They've released
a demo and a 7" so far! My questions
were answered by Dany:

I THINK "SLAYER MAG" IS ONE OF
THE VERY BEST UNDERGROUND FAN-
ZINES AROUND. DO YOU AGREE?

- Yes!

DO "DEAD" HAVE ANY T-SHIRTS AT

THE MOMENT?-No, not now. But in
the following 2-3 months we
want to make some new ones
with a nice picture on it...

WHAT DO YOU THINK ABOUT THE

GERMAN UNDERGROUND SCENE?
-I think it's big enough! We
don't need any more bands now.
The best German D.M. bands are
ULCEROUS PHLEGM, FLESHCRAWL,
DEAD, PYOGENESIS and GUT.

YOUR FUTURE PLANS:-To release
a LP on BLACK MARK REC., if
possible and to tout in for-
eign countries. Perhaps to find
a new girl-friend for my per-
verted pleasures!

LAST COMMENT TO READERS:-Order
our 7" EP at our adress. Girls
write to me for some nice
hours, I could arrange something
for you! STAY HARD AS MY DICK!

I'm sorry to say it, but I lost
Dany's adress, so here's one
from the other members! Write
to: DEAD

GOD FORSAKEN got interviewed here and the reason for that is, that
they're a good doom/death metal group. This time not from Sweden,
but from Finland where the scene is growing as the in Sweden!
Hm! I'd like to talk a bit about their history, but I lost their
biography so please read the interview for more details! I'm sorry
that this is another so called "shorty" talk I did here, but don't
blame it on me, I just only ask the questions! Hannu was so nice
and answered them, "mega-short"!!!

WHAT'S GOING ON RIGHT NOW WITH "GOD
FORSAKEN"?-We are making new songs
and we are waiting that the drum-
mer and the vocalist will end their
army. We have a new reh. tape with
godd sound.

WHAT'S YOUR OPINION ABOUT JOKE
QUESTIONS?-I like them if they make
me laugh.

DO YOU LIKE TITS LIKE THE FROM SAM
ANTHA FOX???-Yes, personally I like
tits which aren't too big. Do you
like Sammy's tits? (Of course!!! ED)

YOUR FAVES (ZINES, BANDS, SHOES):

-Bands are: TROUBLE, BLACK SABBATH,
JUDAS PRIEST, Zinea are DEATH VOMIT
and shoes are the ones I wear ever
y day.

THE GOD FORSAKEN LINE-UP AND THEIR
AGES:-It is: Mika Hankaniemi=vocals
/20, Juhä Pohto=drums/20, Hannu Kuja
nen=guitars+vocals/22 and Juhä Koy
kka=bass/17.

ARE YOU A BIT PERVERT GUY?-In a way
yes. You would be surprised!

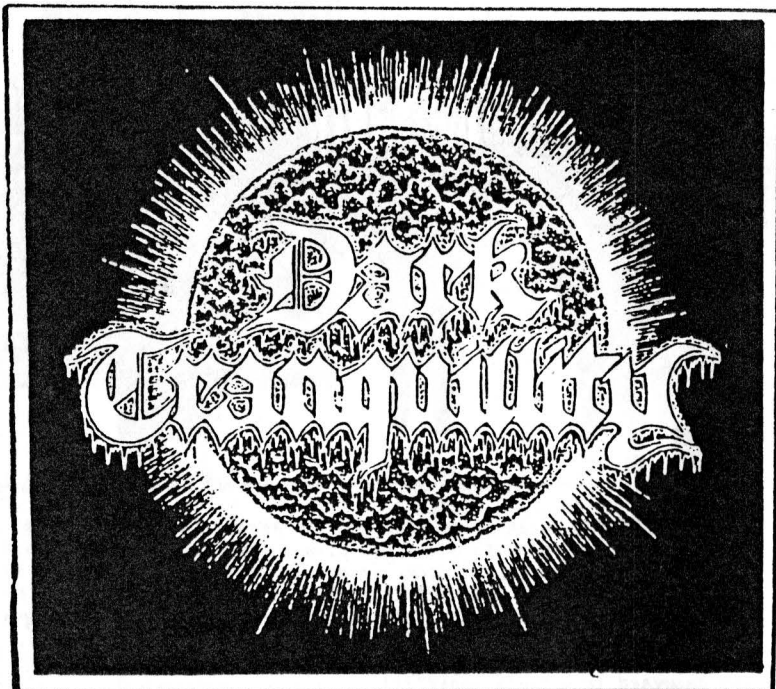

WITH WHICH BANDS DID YOU PLAY
LIVE SO FAR?-With ANGUISH, CON-
VULSE and so on...

HEY; MY UNDERWEAR ALREADY HAD
THE NAME "PUTRID" SO I THINK
OF THIS REASON YOU CHANGED
YOUR NAME TO "GOD FORSAKEN"???
-No, it was the reason why I
had "god Forsaken" tattoo in my
45 cm dick!

PLANS OF GOD FORSAKEN:-No pla-
ns yet, but we're hoping to re-
lease something on vinyl in
this winter. Just wait and see

LAST WORDS FOR THIS PLANET:

-The thing which you have al-
ways feared will come back
from the darkness to dominate
this dying world! God has fail-
ed!!!

DARK TRANQUILLITY was formed in Gothenburg/Sweden in December 1989, but under another name which was SEPTIC BROILER. In August '90 they recorded their 1st demo "Enfeebled earth" which wasn't that good in the production, so they only printed it in 150 copies! Time went by, SEPTIC BROILER changed their name into DARK TRANQUILLITY and recorded their demo "Trail of life decayed" in early '91 which was produced in STUDIO SOUND-SCAPE. This one has a totally professional production, cover and 3 tracks! Titles of those 3 killers are: "Beyond enlightenment", "Vernal awakening" and "Void of tranquillity", plus the moody guitar-piece "Mid-winter" which was used as the intro for the demo. Over 50 hours were spent into this demo-recording, so you can guess what a killer one it had to be!

This demotape got a real success for them! It got best reviews in lots of fanzines+magazines! And not only from the zines, also from the people who ordered it. So it really wasn't a surprise to me that it sold out with 700 copies!

There were plans to release the "Trail of life decayed" demo on a 7"EP released through BLACK-OUT RECORDS in Yugoslavia, but the war out there stopped the project. Now another label, called GUTTURAL RECS., should bring out DARK TRANQUILLITY's demotape. Let's hope this will come reality, because it (the demo) is a masterpiece! !!!

Their guitarist Niklas Sundin is also doing some really nice artworks (the two pieces in this news letter were done by him, for example!) and scene reports in a few fanzines! Together with bassist Martin he's doing the musical riffs for the group.

At the end of '91 we (SLAUGHTER RECORDS) showed interest in them and so we signed DARK TRANQUILLITY in the beginning of 1992. The D.T. line-up (Anders Jivarp-drums, Martin Henriksson on bass, Anders Fridén-Vocals, Mikael Stanne-guitar and Niklas Sundin-guitar) went again into STUDIO SOUND-SCAPE to record 2 absolutely new original killers!

within only 3 months!!! Now await the 2nd edition of this really original 7"EP! For more infos and prices of this release please check out the SLAUGHTER/EXHUMED RECORDINGS page, alright!

DARK TRANQUILLITY are influenced by bands like PARADISE LOST, HELL-QUEN, BATHORY, METALLICA, KING DIAMOND, SLAYER, DEICIDE, etc...! You see, these guys have a very open-minded music-taste!

Both songs have a playtime of more than 7 minutes and include very creative riffing! They're also filled with keyboard and acoustic guitar parts which give the tracks a really special atmosphere!!!! Of course the cover had to be done by Niklas Sundin and of course it went out GREAT!!! The 7"EP with the name "A moon clad reflection" was released in the end of July '92 and the 1st edition (500) sold out

Well, I don't know what's coming out next by them, but I really hope it'll be released by us!!! If someone have any questions or just want to have promo-stuff, then send 2 IRC's to this dude:

SLAUGHTER

The 1st release on my record / tape label is out now since around 3-4 months and I must say that this release went out very good!!! Of course it's the 7" EP by DARK TRANQUILLITY out of Sweden. The 7" EP is called "A moonclad reflection" and has a perfect studio production, gloosy cover, both sided inlay-paper, great front+back cover artwork and 2 tracks of fast, moody and original death/thrash/speed metal enclosed! The playtime of the EP is almost 15 minutes!!! Until now the EP has sold about the 1st 500 copies and I hope to sell the next 500 pieces very soon! And don't forget, it's limited to only 2000 copies!!! This EP got only great response till now from one of the best zines, bands or people, so this is another reason to check this release out!

This 7" EP can be yours by sending \$5+\$1(p+p) in Europe and for \$5+\$2(p+p) elsewhere!!!!!!

Normally I wanted bring out the CD-EP "Dungeon of dreams" by the German CEMETERY, but now it's just impossible for me, because of money-problem, ya know! I really hope they'll find another cool label and I wish 'em good luck in the future!!!

The next release should be the NECRONY CD-EP "Flesh ripping CARCASS ripp-off?" which will include coverversions of NAPALM DEATH, IMPETIGO and CARCASS, plus two own songs! All this will be recorded in GORYSOUND STUDIO/the studio of Dan Swanö/EDGE OF SANITY!!!!

For more infos to NECRONY read the interview that I've done with Anders in here, alright!

After this CD-EP I hope to release LEUKEMIA's debut CD/MC, a CD-EP of SCEPTICAL SCHIZO, my comp. CD/MC REQUIEM and a few live-tapes!!!!

SCEPTICAL SCHIZO is a doomy and melodic death metal act coming from Finland! So far they've unleashed a 7" EP + a few more demos! I'm not really sure if I'll release a CD-EP with them or just a full CD/MC??? You can contact them at Mikko Lappalainen, Riistapolku 9C, 296 00 Noormarkku, Finland. This guy is also doing the ELYSIUM FANZINE, ask him about it!!!

I've plans to release a few cool and original live-tapes. The 1st will be by CARCASS the 2nd by DISMEMBER and the 3rd one will be maybe from DEATH, nothing is for sure yet! Every tape will be have a gloosy cover, a quality tape (55 min.) and a bonus-track of their early demos, WATCH OUT!!!!

For infos about the LEUKEMIA CD/MC look at the feature with them, alright!

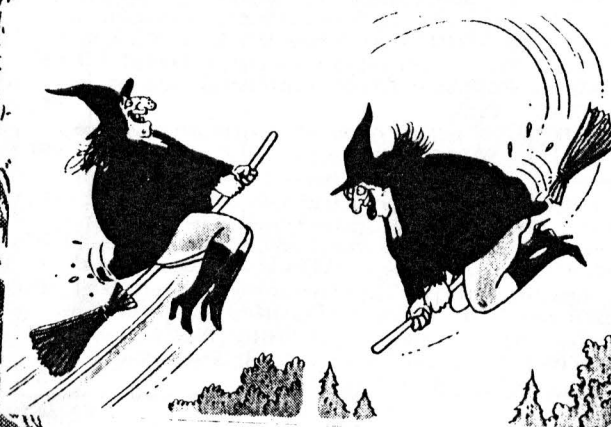

Oh, I almost forgot it! Yesterday I got a letter from Nick of DEAD FETUS (FINALLY) who told me his situation + now it seems like it if I'll nevertheless release something with them, though their so... long delay!!!! I guess it'll be a full CD/MC/EP, let's see, time will tell us! Here's his adress: Nick Sebock, P.O. Box 281, Midlothian IL., 60445-0281, USA.

I'm still looking for distributors, record shops and mailorders who would like to take some more copies of my releases! So please: GET IN TOUCH with me for very fair+cheap prices!!!!

Maybe I'll also do some nice t-shirts very soon but I don't know if I can make this reality, as I said earlier, I'll try to give all my best to make my promises happen, but for that I need your support, OK!!!

Fanzines, magazines and radio-stations: Please send me your latest issue and I'll see if I'll send you some promo-stuff of SLAUGHTER REC. And tell me what's going on with publicity in your show/issue!!!!

Well guys, that's it 'bout EXHIBED/SLAUGHTER RECORDINGS in this newsletter read more about it in my 3rd issue!!! Bye...

Here's another list of my distributionservice and you can see,here's not that much new stuff to get.That's because until now only a few people ordered the things I offer for sale,and that's very sad to see!In my opinion the prices are more than fair and the stuff in this list is professional and good done,so for what are you waiting for???Help me out and buy anything, thanx in advance!
Order-terms:Order-minimum=\$12/Add \$4 for postage+packing/Give me always any alternative-titles to your order!etc...also single orders possible,just ask!!!!

And here I've done an interview with another signing of POSERSLAUGHTER RECORDS and yeah, they also play a style totally extreme and sick music! It's name is NECRONY and these 2 guys! (the photo on the other page was with taken of the old line-up, still a 3 piece one! I have so far a demo and a 7" released, and in the near future they're going to release a full LP/CD (on POSERSLAUGHTER RECS.) and a CD-EP (on SLAUGHTER RECORDS)! I'm really sure that those 2 releases will shred you away! Their demo can be still ordered by me, for only \$4 (add one \$ in Europe and \$2 outside of it)! So, let's go over to the short interview I did with Anders:

ANDERS, WHAT'S UP WITH "NECRONY" RIGHT NOW? -We are writing and rehearsing new material for a full length album to be recorded this summer. That's basically what we're doing, yes, we're choosing deals from different labels as well.

WHY DO YOU PLAY SUCH A SOOO... BRUTAL STYLE OF MUSIC? -We just feel for it. Too bad as many other people do the same thing. Stupid trend!

DO YOU MAKE ANY PROFITS WITH YOUR DOING? -Haha, are you kidding me or what? The profit we earn go to re-pressings of the demo, t-shirts, postage, etc... I guess it'll take a long time before we can put some of the NECRONY money on our own pockets. If we get some money for free, we directly invest them in somethings like underground 7", etc...

HOW IS IT TO HAVE A MEGA-BIG DICK? -Why don't you ask my girlfriend instead? (Hm, I really would like to do that... could you please give me their adress, Anders? ED)

I SAY "PUTREFYING MASS ZINE", AND YOU? -I say cool fanzine made by a cool penpale in Holland, the godly Wilbert! Support him for ever! If you read this! Wilbert, write and send your comp. tape soon!

WHAT ABOUT A "NECRONY" EUROPE-TOUR IN THE YEAR 1119, I MEAN 1999?

-What about a new line-up in 1992? At the moment it's just me and Rickard left, because Dan's left the band and the new guitar-player we found couldn't find the time to rehearse with us.

WHAT'S YOUR OPINION ABOUT THE ACTUAL DEATH METAL SCENE? -Too much trend bands. Some bands think death is a trend and what do they do? They start to play black metal instead and then black metal is a trend! There's some real, true and brutal bands and I love them!

DO YOU ENJOY TO MASTURBATE AT A CEMETERY? -No! Too wimpy for me! I like to eat lunch at the morgue.

DO YOU HANG 'ROUND WITH OTHER BAND MEMBERS IN YOUR FREE-TIME? -Eh... well, I sometimes "hang" out with Rickard and if you you're talking about bandmembers in other bands (Yo, I talk about that - ED) yes, that happens sometimes, too!

WHAT ABOUT YOUR FUTURE PLANS? -Record our new stuff, stay sick and disgusting!!!

LAST COMMENT TO MY SICK READERS -Write to me for details about merchandising, but please enclose IRC/1 Dollar for reply money! Thank goes to Christian and all my other friends in Germany!!!

Big thanxxx goes to Anders for his answers! Even if they were not that long and all my other Swedish friends, hehe! Write to:

FINALLY! Finally an interview which isn't that short as the others featured here in this 2nd newsletter! And I'm sure you know which act got asked some questions! Yes, it's IMPETIGO from the USA, the godz of sick gore-core music! Their 2nd album "Horror of the zombies" is already out for a while, but I still haven't heard it! (what a pity!)!!! Before this LP/CD they've released a reh. tape, a demo, a split EP with BLOOD, the "Faceless" tape/7" and a full lenght album on WILD RAGS RECORDS! As far as I know IMPETIGO will soon release another split 7", but I'm not really sure about that! I really would like to write something more about this GREAT band, but I only have 2 pages for Mark's answers, you know!

WHAT'S UP IN THE "IMPETIGO" CAMP? Well, right now we're waiting for our 2nd LP to come out, it should be out soon. Then in a few weeks we'll play in Puerto Rico with NUCLEAR DEATH and then we'll play the big Milwaukee Metal Fest! So that'll keep us busy while we'll also be working on new songs for our next recording project(s), maybe a split 7" with the MEATSHITS on WILD RAGS RECORDS!

ARE YOU SATISFIED WITH YOUR 2ND ALBUM? So far we're really satisfied with it, we're really happy with how the recording came

out and the songs are our best yet, so I think this new LP will definitely help us to be taken more seriously - I can't wait until it's out!!!! I guess after it's out we'll find some things about it which we aren't happy with, but for now it's cool!

I KNOW A GUY WHO REALLY HATES YOUR DEBUT LP, BUT HE LIKES YOUR "FACELESS" TAPE A LOT!! DO YOU THINK YOU'VE CHANGED YOUR STYLE?

-I think our style has changed some, also our 1st LP had a lot of songs which were really old on it! The new sound is darker

and heavier, more in a basic crude death metal style as opposed to grindcore! We still have grind parts but overall it's more death and doom. And the production and mood is a lot better now!

WHAT'S THE WORST THING THAT EVER HAPPENED TO "IMPETIGO"? I guess that would be when we were driving to a show and our truck caught on fire! We saw smoke coming out so when we finally stopped we looked under the truck and it was on fire - we all ran 'cause we thought the truck would blow up, much longer and it would have! Luckily, after that we had some help and were able to get back okay, but it was some scary shit for a while!

I SAY "CARCASS", AND WHAT DO YOU SAY? Well, 1st of all it makes me think of my pet guinea pig named Carcass! And I also love the band, they've been one of my favourite bands since their 1st came out, even though they've changed! They're one of our influences and I think that Bill is a really cool guy!

SAY A NICE "HELLO!" TO SOMEONE: -I'd like to say "hello" to some of my cool friends in Germany such as BLOOD, Martin, Oliver Roder, all in PYO-GENESIS, Giatano Alfonsi, Grave Goody, Linz and sorry if I'm leaving anyone out! Oh yeah, Darris too! Also hello to my good friend Mika of IMPALED NAZARENE!! They rule!!

HOW MUCH MAIL DO YOU RECEIVE IN ONE WHOLE WEEK? Well I average between 50-70 letters a week, and Steve also does alot so the bands gets quite a bit of mail! I think it's fucking cool. That's the best parts of the band is doing the mail! It rules! I think once the 2nd LP is out we'll get even more mail!!!

DO YOU THINK YOU'RE A PERVERT GUY IN ANY WAY? -Well, really I think I'm a pretty average guy I work as an accountant and I'm married, but I just tend to have a taste for morbid and perverted things. I like to watch lots of gore and porno stuff, but it's strictly for my own entertainment and not how I like my life! So maybe I'm not as perverted as it may seem, but to some people I guess I am! If I am I don't feel like one!

WHY DID YOU SPLIT-UP WITH "UNIFORCE ZINE"? -I had stopped UNIFORCE about 2 years ago, I'm just too busy with my job and the band to spend

spend any time working on the zine! So I decided it was the best to stop the zine and concentrate full time on the band since things were going very well for the band! But thanks to everyone who supported UNIFORCE in the past!!!

DOESN'T GET IT BORING TO WATCH TONS OF GORE AND SPLATTER FILMS??? Hell no, it's never boring, I spend a major portion of my free time reading and searching for a types of gore and horror films, so to me it is never boring! It's great to finally get to see movies you have been searching for for along time!!! I love to watch these movies and I always have so to me it is part of my life!! Also it is a great inspiration for our lyrics and artworks! To me it may be boring to some it may be boring, but not for us!!!!

ASK ME SOMETHING: WHY ARE THERE SO MANY PORNS COMING FROM GERMANY THAT HAVE PISSING, AND SHITTING IN THEM, I HAVE A FEW AND THEY ARE FROM GERMANY??? I knew a question like this had to come, hehe! Hm, I really don't know it! I've never seen such a film from Germany! But I know that lotsa Germans are really perverted humans, a bit to pervert in my opinion! I don't like those films with piss and shitting in it, that's abnormal!!! The most German pornos are ugly as hell, I prefer watching gore/horror/thrillers/splatter and occult films, not pornos at all, but of course they're GREAT!!!

ANY MERCHANDISE AVAILBLE RIGHT NOW? Oh yes! We sell our debut LP on LP/MC for \$10/\$13 overseas and the CD is \$15/\$18 overseas! We have our "Faceless" EP on cass. for \$5/\$6 over. and we have our white "Eaten alive by the cannibals" shirts and our black "Horror of the z. shirts, they're both in L or XL and are multi coloured, shirts are \$13/\$15 overseas each!

PLANS FOR THE FUTURE: Well, now it's just to keep working on new songs because possibly later this year we'll do a split 7" and then sometime in 1993 I assume we'll record our 3rd LP for WILD RAGS so we'll be plenty busy in the future!

LAST WORDS BEFORE CREMATION: -Thanks for the cool interview and to all the cool people who have supported us! Look to our new LP to rise from the crypts soon! It's our best shit yet so check it out! If you want to write please enclose an IRC or stamp for return postage! All mail is promptly answered!

LEUKEMIA formed as today's 2-piece act in early 1991 by Jocke (vocals) and Kentha (drums/guitar) for the purpose to create some own way of death-thrash. As they never wanted to have someone else in the band they asked a member of HOUSE OF USHER to help out the band.

Around early '92 they have released their debut demo "Innocence is bliss" which got killer-reactions! I think that's no wonder with a printed cover-tape and 3 tracks of very original death-thrash produced in Sunlight Studios!!!

The 500 copies which were printed of it were sold out in only 6 months and now an underground label want to print up some more copies! So try to find out which label will make it and get a copy! Their demo is really GREAT and sometimes also a bit funny, just listen to the song "Alma" or the outro of the demo and you will know what I mean!

In May '92 6 new killers were written and LEUKEMIA started to record them plus 3 tracks of the demo for a full length CD and MC output! They ended this recording in October '92 with a 55 minutes long, again recorded in Sunlight, killer-produced album!

A few weeks I have received the advance tape of this recordings, and I can tell you, it's a total killerone for all the people who likes original death-thrash with acoustic guitars and special effects!!!

Vocalists of GRAVE, ENTOMBED, EXCUCIATE and DIVINE SIN did some monstrous backing vocals along with killer-solos by Mänge of ROSICrucIAN! ! ! ! !

And as I already mentioned it on the SLAUGHTER RECS. pages I'll hopefully release this album of a monsterpiece! ! ! ! No title is ready yet and I also don't know which distribution service will take it to bring it in record-stores, but I guess ROUGH TRADE will do it for me! !

So just keep your eyes open for this release and buy it anyhow!!!

They already have written 2 new tracks which sounds cool so far. They don't know what they'll do with them, maybe they'll release both as another demo or just a record! Watch out!

Once Jocke + Kentha also did a black metal project called HABITAT which was meant to be "just for fun", but some freaks enjoyed this stuff!

Also both this dudes are doing a fanzine named HYPNOSIA! Their 3rd issue should be sold out and the 4th issue will come out real soon! And I like their fanzine very much because it's very funny written

stuff in it, so please check it out someday!

I've heard that their cover-art work will be done by DARKEN ART, that's the guy who already played in DAMNATORY, Marco Gemmet!

At 1st it should be done by Paw Nielsen, but I don't know why he won't do it anymore????

Well, that's the end of this 2nd EXHUMED NEWS-LETTER and I think the result of this 2nd one turned out very good! Here and there are still some errors and I'll try to do them not any more! I really don't know how the printing of this newsletter will look like, but I hope not too bad! I already had thoughts about it to print this stuff here (off-set of course), but right now I don't have so much money, ya know!!!

A few days ago I was on a gig where CANNIBAL CORPSE and SINISTER did play, and I must say that it was a very good gig! The members of SINISTER are really nice guys. Of course the guys in CANNIBAL CORPSE too, especially Alex their bassist! I'll release a few photos of both in my 3rd news flyer, alright!

Hm, I totally forgot to add on the SLAUGHTER RECORDS pages that I'll real soon release the 2nd demo of EXANTHEMA. Today I received their advance tape to it and it sounds fantastic, at least in my opinion! Maybe it'll be handnumbered, limited to 999 copies or so, let's see about that later! EXANTHEMA play in the style of CARCASS, UNLEASHED and GRAVE!! If you want to contact them, here's their address: Jörgen Persson, Källvägen 30, 640 34 Sparreholm, Sweden!

At the moment a lot of guys spread it around that the death metal scene would be too commercial and too big! I really don't think so and if it would be that kinda way, it isn't that negative as some people say!

For sure it's shitty if there're too much false fans out there, especially too much fucking ripp-offs!

I think more+more guys turns to be a ripp-off, that sucks! So my statement to them: "Let's kill 'em, those wimps!" Soon I'll create a list with the names of the people who ripped me (and other guys) off in any way! That flyer will be spreaded around the whole world, at last I hope so! So everybody can see it and can choose if he'll write to this person or not!

Ah fuck, I'm running out of words+sentences, so I guess it's the best to stop here before any more shit is coming out of my mouth!!! hnnnnnnnn! grrrrrr! aaaaaaaah! brrrrrrr.....

See-ya hopefully soon, yours:

List Nr.1/1993

!!!For free!!!

Hi there creatures of the night!

As you can see here's the 1st EXHUMED MAILORDER list. It might not be the biggest one ever, but I think it has lots of very good and original things inside you really should check out! In my opinion the prices in the list are very fair, but I'm sure they'll be A LOT cheaper in my next one, that's a promise!! I guess the next list will be ready in about 2-3 months, so please watch out for it then!!!

A few EXHUMED PRODUCTIONS planned future releases:

The 2nd demotapes of EXANTHEMA, OBSCURE INFINITY and FULMINATION. All three bands hail from Sweden and are playing brutal, but very original Death Metal in a very good soundquality. Every tape will have a gloosy cover and a chrome tapell!

After that there should be ready my 1st EXHUMED MAG'n ZINE issue with a colour cover, DIN A3 poster, lots of reviews and drawings...and interviews with PHLEBOTOMIZED, BLOOD, Dan Swanö, SINISTER, GEMETZ, ZINE, MIASMA, Paw Nielsen, THE GATHERING, MYTHIC, DISMEMBER, etc...and much more on gloosy pages!!!

At the same time as this issue will come out I really hope to release a CD-EP by Swedish NECRONY which should include a few coverversions and 1 or 2 tracks of their own in a re-recorded version!!! Other releases on EXHUMED PRODUCTIONS later on this year should be a OBSCURE INFINITY/FULMINATION split 7"EP (only new tunes!), THE CORPSES ON TAPE compilation MC (a SLAUGHTER RECORDS promo tape) and with luck my 1st CD/MC compilation named "Requiem" with a playtime of more than 70 minutes and it'll be sold for a really fair price!

For further details just write, enclose an IRC (or just one \$) and you'll get all the actual EXHUMED news/infos, alright!!!

My contact address is: EXHUMED PRODUCTIONS, c/o Christian Hillenbrand, Gerlosersweg 46, 6400 Fulda/Germany. Phone is: (+49)0664-71195.
